

(LOVE ME) LIKE I'M LEAVING

Written by: Jeremy Spillman (BMI), Jay Joyce, & Heather Morgan

Baby look at me, the way you used to look at me
Sometimes I feel like you're waiting for something else to come along
You'll either know what you got when you got it babe
Or you'll know what you had when it's gone.

Love me like I'm leaving
And you can't stand it
Like you'd stop breathing
Before you took this girl for granted
Baby hold on to me and lose control
Love me like I'm leavin, if you don't want me to go

Convince me baby, want to hear it baby
Convince your love like a secret that you just can't keep
This is your chance to make me believe

Love me like I'm leaving
And you can't stand it
Like you'd stop breathing
Before you took this girl for granted
Baby give it all that you've got
Till there's nothing to spare
Love me like I'm leaving, even if I ain't going no where

Baby got to make staying feel like the right thing to do
It's all up to you

Love me like I'm leaving
And you can't stand it
Like you'd stop breathing
Before you took this girl for granted
Baby hold on to me and lose control
Leave me like I'm leaving
Oh, love me like I'm leaving
If you don't want me to go

Baby look at me
The way you used to look at me
