

## NOT ENOUGH

Written by: Joanna Mosca (BMI), Mark Mosca (BMI), and Franni Burke (BMI), &  
Tyrone Corbet (Ascap)

### Verse

You bring me diamonds  
You buy me pearls  
The Riviera sure is pretty in the summer  
I'll tell you one thing, they don't mean nothin'  
Till you give me a little somethin' somethin'

### Pre

No crystal palace with big marble floors  
I'm into somethin' more

### Chorus

It's not enough just to dress me in lace  
It's not enough to think I'm just a pretty face  
I'll tell you one thing you better be sure  
Before I walk outta that door...It's not enough

### Verse

Don't need no French maid or Jimmy Choos  
Don't need no big yacht or trips to Malibu  
I'll tell you one thing, they don't mean nothin'  
Till you give me a little somethin' somethin'

### Pre

No House in Bel Air no shops on Melrose  
I'm into somethin' more

### Chorus

### Bridge

It's not enough that you buy me these things  
No Fancy cars or diamond rings  
You bring me things, but there just things  
I'm needin' somethin'...I'm wantin' somethin'  
I'm into somethin' more....

### Chorus
