

THE LITTLE THINGS

Verse 1

I used to dream about the day
When I'd be charmed and swept away
But then you came and made me realize
I put those childish things to rest
For something that could stand the test
Something better than those other guys

PRE CHORUS

It makes me want to be there for him
For the rest of my life
Cuz I know, I know...

CHORUS

That everything he does is like a movie made for me
On the big screen
Even though he thinks that I don't notice, I can see
And it's amazing to me
How big this love can be
When it's the little things you see

VERSE 2

I don't have to talk at all
He's there to catch me when I fall
He understands the deepest part of me
I hear him coming in at night

Kiss the kids, turn out the light

And there's no where I would rather be

PRE CHORUS

It makes me want to be there for him

For the rest of my life

cuz I know, I know

CHORUS

That everything he does is like a movie made for me

On the big screen

Even though he thinks that I don't notice, I can see

And it's amazing to me

How big this love can be

When it's the little things you see

BRIDGE

I'm so grateful that we made it this far

Didn't doubt it for a minute cuz I know who you are

I know who you are

CHORUS
